- I will use my own transponder (Please enter transponder # \_\_\_\_\_)

**Please select if you need to rent a helmet**

- Yes, I do. \$20/all day
- No, I do not.

**If you do not meet all of the following requirements you may not be allowed on track.**

**We may not provide any refund or credit for the event if you do not meet all of the following requirements:**

1. If you drive a convertible, your car must have either aftermarket rollover protection or OEM/Factory rollover protection. Cars that are allowed include all cars with Pop-Up rollbars (some BMW, Porsche cars) and cars with substantial roll hoops (Honda S2000, Boxster for example). YOU WILL NOT BE ALLOWED ON TRACK if your car does not meet our requirements and YOU MAY NOT RECEIVE A REFUND. Please contact us if you wish to make sure your car is allowed.
2. If you are under 18 you must have a parent present at the track to drive or ride as a passenger.
3. You must have a Snell rated helmet (either SA or M rated) 95 or newer. The preferred helmet is an SA rated helmet, the newer the better (2005 is the latest). If you do not have a helmet or cannot obtain or borrow one, please make sure you rent one from us.
4. You must bring a tech form with you to the track. The tech form can be filled out by you or your mechanic - whoever is qualified. We do not tech cars at the track. It is your responsibility to bring a sound and safe car to the event.
